## REFERENCE FOR JAK KIRKLAND

Jak has been a student at Samworth Church Academy for the past four years. Jak's attendance is well over the 90% mark for this academic year and his attitude to learning scores are above average. he is on course for gaining his GCSE exams at his predicted grades.

I am Jaks Combined Cadet Force Senior Instructor and have daily contact with him. I have known Jak for the past 4 years.

I find Jak to be a conscientious and likable individual who is always polite and courteous even if very quiet. In the Cadets he participates in all the activities and relishes a challenge. I can give Jak a task to do and with a little guidance he will get on with it with the minimum of fuss. Lately, I do like that if he is unsure of something he will seek advice and not just shrug his shoulders. Jak engages with all the cadets at the Academy and is happy to help out younger cadets when the need arises. He has taken part in Cadet Annual Camp where he has been pushed out of his comfort zone daily and has really stepped up to the challenges thrown at him. Jak is a thoughtful and quiet individual who is happy to mind his own business or be part of a dynamic team. I find him a dependable and a trustworthy individual and recommend him to attend any educational institution.
